

UC Berkeley Model United Nations BayMUN Spring 2015

Dear Delegates and Faculty Advisors,

It is with great pleasure that we invite you to join us at **BayMUN Spring 2015** to be held on **Saturday, April 25th 2015**, on **UC Berkeley's** beautiful campus. BayMUN has long served to provide Bay Area schools with the opportunity to engage deeply in a host of international issues while experiencing and upholding the spirit of diplomacy.

This April, delegates from UC Berkeley and other Bay Area schools will debate in many of our unforgettable crisis or specialized body committees that will challenge new and experienced delegates alike. Our staff is deeply committed to offering you the highest quality of committees and is thoroughly prepared to ensure that each delegate has a remarkable Model UN experience.

More information such as the background guides, the rules and procedure, committee assignments, and the conference schedule will be available shortly. This year we will be posting these details on our website <http://www.club.ucbmun.org/baymun.php> in addition to sending them out to you.

It would be our greatest honor if you would join us this April for what will be a highly professional, organized, thought-provoking, and dynamic one-day conference with contentious topics and lively debate that will provide a strong foundation of skills to strengthen delegates for future conferences.

If you have any questions regarding conference logistics, registration, or other concerns, please do not hesitate to contact us at our emails posted below. We will also be posting and sending out the contact information of our chairs and crisis directors for your committee-specific inquiries.

We very much look forward to seeing you at our conference this April.

Most Sincerely,
